TO: Chief, D/GP

FROM: Chief, Intelligence Information Staff, ORR

SUBJECT: Foreign Visitors to Communist China

1. This Office has been asked to prepare a list of installations, institutions, ministries, etc., of prime interest to ORR that might be suggested to foreign visitors to Communist China as important and interesting points to include on their itineraries. The list should include only those facilities that are well known (e.g., those that have been mentioned to by the Chinese in their press, radio or other overt information media).

2. The following information should be included for each facility:

- a. Name
- b. Location (including geographic coordinates, if known)
- c. A very brief statement concerning function of the facility

3. Requirements are not wanted at this time. It is felt that those already in existence are adequate for this operation's purposes.

4. Please submit your list to St/I/R on or before 30 January 1957. If you have questions concerning the above, contact the undersigned or Room 1134, Q Building.
